

# Mortgage Registration

Blockchain applied to Public Services

# PUBLIC SERVICES MORTGAGE REGISTRATION

## WHAT IT IS AND WHO DOES IT ALIGN ?

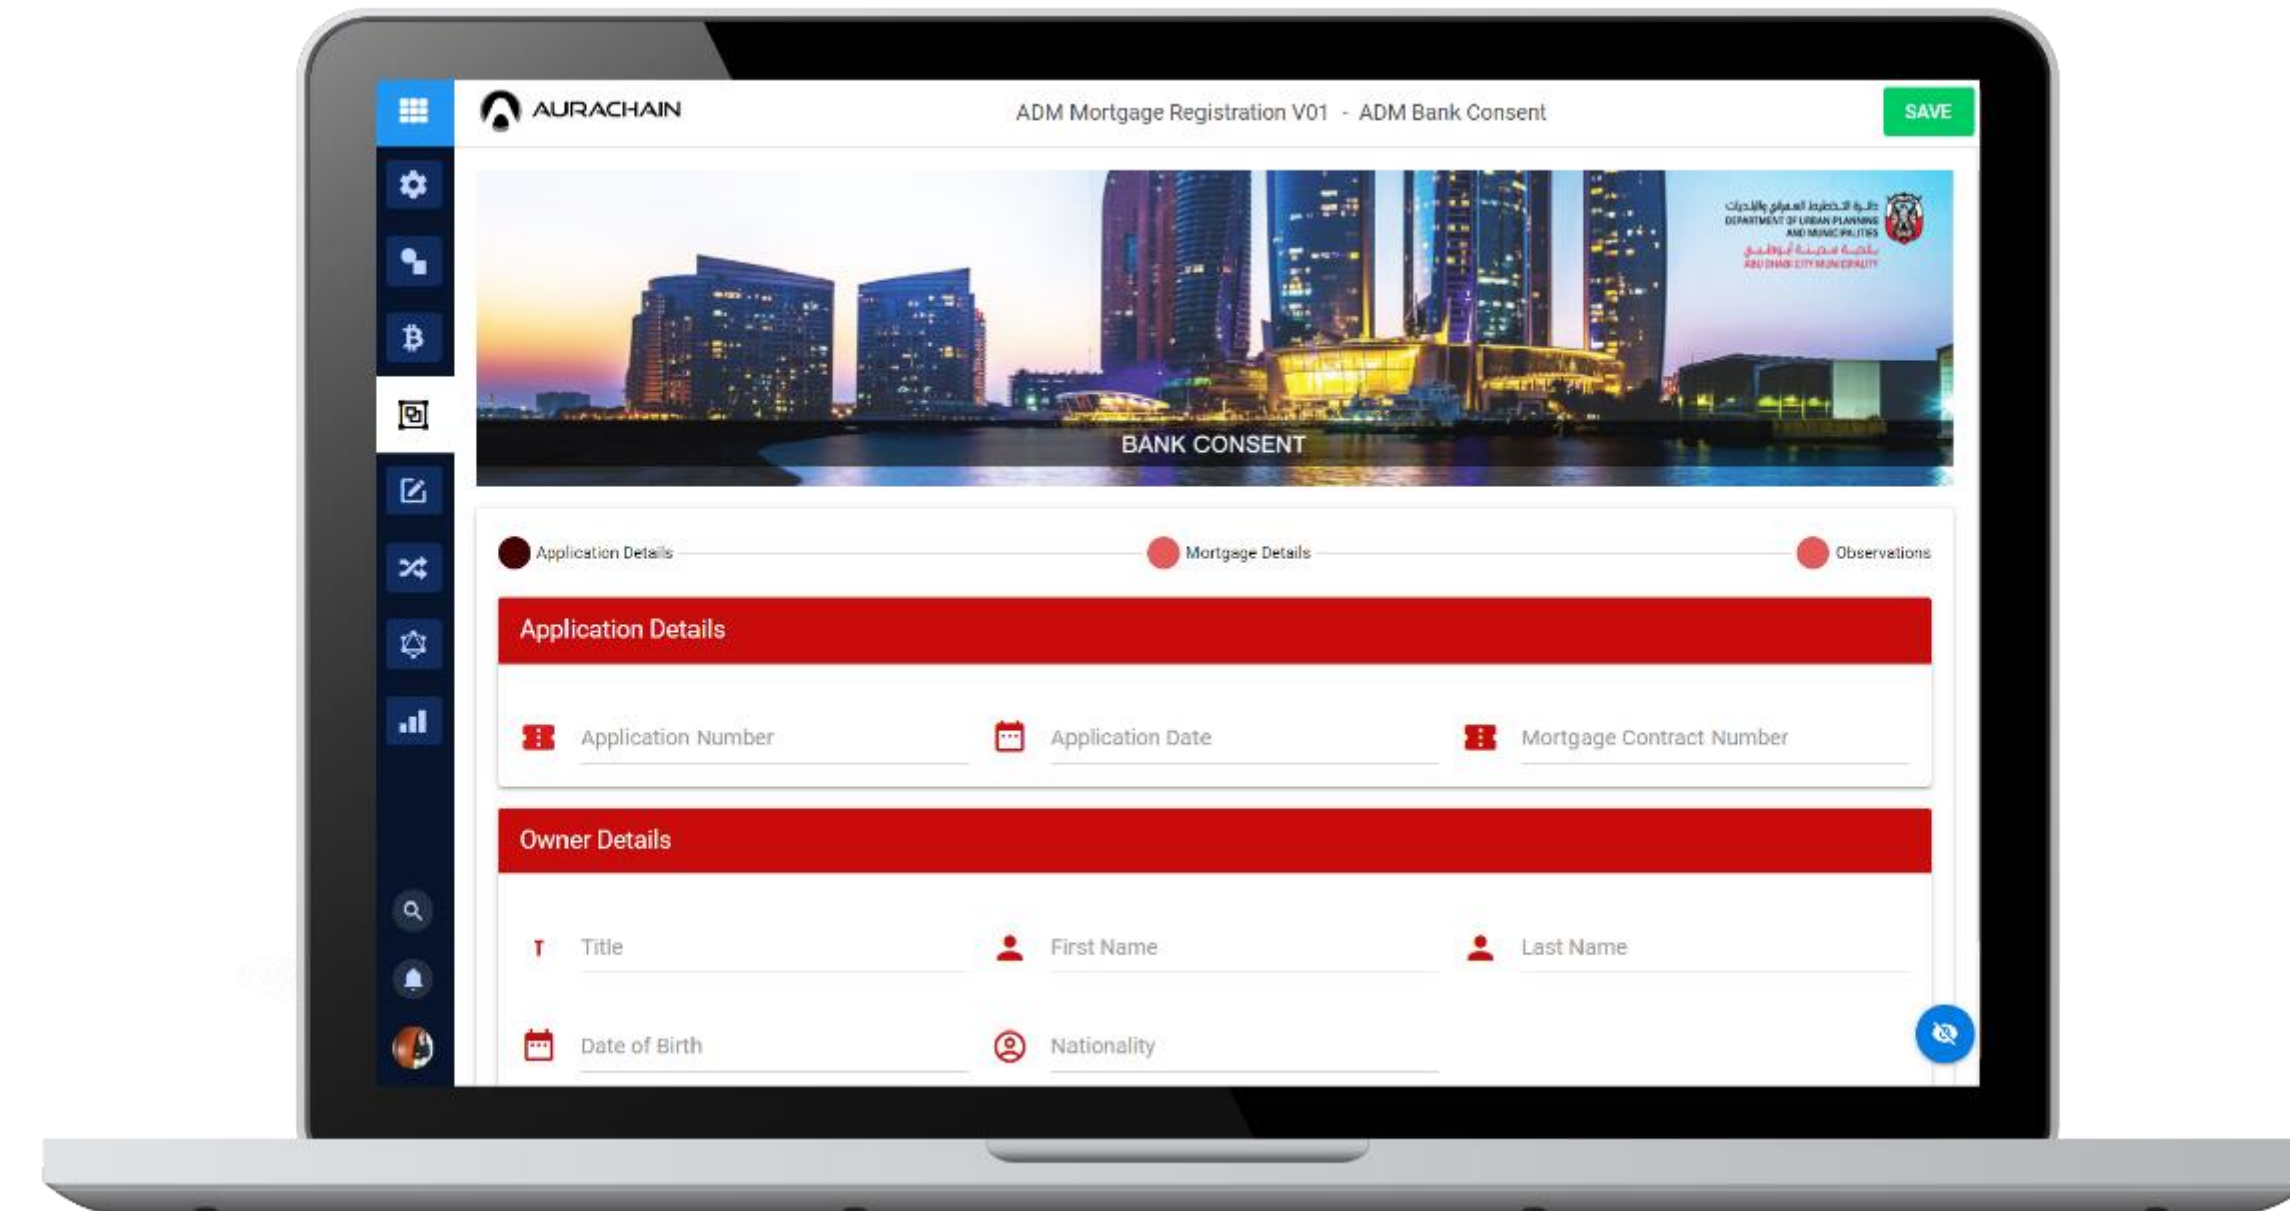

A solution for simplifying the Registration of a Mortgage, by leveraging Blockchain innovation.

## WHAT DOES IT COVER ?

- Mortgage registration
- Automatic generation of Mortgage Sticker and Verification Certificate
- Customer registration through biometric identity verification

## WHAT DOES THE SOLUTION ELIMINATE?

- Eliminates the need for numerous visits to the bank and municipality
- No physical documents handling involved
- Reduces overall time of the registration process and the overhead costs of administration

# Thank You!
